Your rendez-vous with greenery at the "CANOPEE" project in Uccle !

Clos Andrée Dumont 6, 1180 Uccle

The new apartment project "Les Promenades d'Uccle" is complemented by this beautifully atypical new building "CANOPEE." Victoire-JUNOT offers: This beautiful, well-designed 2-bedroom apartment on the 2nd floor. Entrance hall (with guest toilet and utility room) opens onto the living area with lounge, dining room and fully-equipped kitchen, extended by the terrace - the main view looks out onto the street. On the other, the private space includes a utility room, a shower room (with washbasin) and a bathroom (with a second toilet, bath and 2 washbasins); Both bedrooms have a quiet view of the project's interior. This project will, of course, be designed with low energy consumption and a minimal ecological footprint. The finishes are elegant and understated, made from high-quality materials to provide maximum home comfort. As expected, the building will have an excellent energy performance certificate (EPC)! Parking (mandatory and additional) and a bike room are available. A storage cellar is also provided for each unit. Sales are under registration rights for the land and under VAT for the construction. This well-designed new neighborhood is peacefully immersed in a Natura 2000 area on the Kinsendael plateau, giving the feeling of living in the countryside! Yet, you are only 7 minutes away from Fort Jaco or Vivier d'Oie.
