JOURDAN SQUARE - 2 bedroom flat with terrace

DE L'ETANG 121 RUE, 1040 Etterbeek

Victoire-Junot is pleased to present this exclusive 30-unit project, a new living experience full of character, located in Etterbeek, in the immediate vicinity of the European Quarter. This 2-bedroom crossing apartment is as follows: Entrance hall with a technische ruimte. This hall opens on the 2 bedrooms situated at the front of the building. The master bedroom enjoys a full en suite bathroom (with bathtub, single washbasin and a space for the washing machine), while the second bedroom benefits from a separate shower room (with shower and single washbasin) + the separate WC. The living area is at the rear, overlooking the inner gardens on the SOUTH side, and comprises the superbly equipped kitchen, dining room and living room, extended by the terrace. Cellar included. Sustainable building materials, attractive landscaping of the inner courtyards, excellent energy performance for the ensemble. The Place Jourdan district stands out for its convivial atmosphere and quality of life, enhanced by the green spaces of Parc Léopold and Jardins Louis Hap, as well as by its quality and wide range of shops. When it comes to culture, you're just a stone's throw from museums, theaters and leading schools. This project is designed by the developer Propintra SA and the architectural firm NEST ARCHITECTS (a collaboration rewarded by some very fine recent projects in Brussels). Whether as for living or a rental investment, this project is an unique opportunity in this pleasant commune of Brussels. Delivery is scheduled for the end of 2027.
