JOURDAN SQUARE - 1 bedroom flat with terrace

DE L'ETANG 121 RUE, 1040 Etterbeek

Victoire-Junot is pleased to present this exclusive 30-unit project, a new living experience full of character, located in Etterbeek, in the immediate vicinity of the European Quarter. This attractive studio located inside of the project features as follows: Entrance hall with separate toilet & a small utility room. The beautiful living room with a superbly equipped open kitchen (+ mini laundry room) is extended by a pleasant terrace with a view over the green roof. The sleeping area is discreetly nestled next to the living room and has an en suite shower room (with shower and single washbasin). Cellar included. Sustainable building materials, attractive landscaping of the inner courtyards, excellent energy performance for the ensemble. The Place Jourdan district stands out for its convivial atmosphere and quality of life, enhanced by the green spaces of Parc Léopold and Jardins Louis Hap, as well as by its quality and wide range of shops. When it comes to culture, you're just a stone's throw from museums, theaters and leading schools. This project is designed by the developer Propintra SA and the architectural firm NEST ARCHITECTS (a collaboration rewarded by some very fine recent projects in Brussels). Whether as for living or a rental investment, this project is an unique opportunity in this pleasant commune of Brussels. Delivery is scheduled for the end of 2027.
